(PRLEAP.COM) San Luis Obispo, CA – October 23, 2013 – A family owned company of [San Luis Obispo pest control](#) experts, Brezden Pest Control, has been awarded the mark of excellence in pest management, the QualityPro designation.

Brezden Pest Control Inc. has grown into the premiere pest control company in and around San Luis Obispo county for over three decades, due to their dedication to customer satisfaction and commitment to quality and efficient services. True to their guarantee, this San Luis Obispo Pest Control company continues to strengthen their eligibility as they are recently approved as a member of good standing of QualityPro.

"For my wife Maria and I becoming a QualityPro company is a crucial step to fulfilling our commitment to our customers' protection and peace of mind," said John Brezden. "Aside from our many years of professional history and satisfied client-base, this official designation, offers consumers another reason to trust us. The QualityPro mark reassures customers that our company provides services of the highest possible quality."

Known to be the world's largest certification available exclusively for the pest management industry in the U.S. and Canada, QualityPro has set high standards to ensure consumer confidence by meeting their demands in this modern time. Only the top professionals in the pest
