

Refurbking Now Features LG's Popular Gas Range

Written by Australian Business

(PRLEAP.COM) Elk Grove Village, IL – Just in time to the busy Thanksgiving and holiday entertaining season, Refurbking, a leading retailer of [large home appliances recently added](#)

the popular LG LRG3095ST gas range to its selection of energy-efficient and convenient appliances. This model from the trusted LG brand offers five powerful gas burners that allow cooks to prepare more dishes at the same time – like simultaneously cooking turkey and ham in the double oven.

Each of the five burners has its own output strength to meet all cooking needs. The grange even features a powerful 17,000 BTU burner. The oven includes an EvenJet Advanced Convection System with a fan that circulates the heat ensuring meals are baked quickly and evenly. The 5.4 cubic-foot capacity allows users to prepare more food at once and cut down on cooking times – an ideal feature when preparing a large family meal this Thanksgiving.

Typically this stainless-steel, top-rated model retails for \$1499.99, however, with Refurbking, shoppers will find the LG LRG3095ST gas range for as low as \$987. Refurbking also offers an optional extended warranty plan that will cover this appliance parts and labor for 15 month. Clients can also choose from three and five year warranty plans. As always, with Refurbking, clients can enjoy complimentary shipping and unparalleled 35 years of experience in the business.

Shoppers will also find a great selection of other name-brand ovens and ranges including energy saving double-oven ranges with smaller ovens, electrical ranges, cooktops and wall-ovens.

To purchase the top-rated LG LRG3095ST gas range in time for the holidays or shop for other ovens and ranges, visit www.refurbking.com .

About Refurbking At Refurbking clients will find the best deals on the best name brands like LG, Zenith, Avista, and Goldstar. Combined with the company's outstanding customer service and discounts on name brand products, we strive to create a satisfying online shopping experience for you.
