

Lighting Pros 360 Announces Latest 'Manufacturer Of The Month'

Written by Australian Business

(PRLEAP.COM) Catskill, NY - [Lighting Pros 360](http://LightingPros360.com) , New York based lighting and design experts, have recently featured Hudson Valley Lighting, Inc. as their "Manufacturer of the Month" through their popular website. The honor reflects the high quality of design and craftsmanship that has come to signify the premium lighting manufacturer. This accolade comes on the heels of what has amounted to several years of robust growth and critical acclaim for the longtime lighting professionals.

Hudson Valley Lighting is a member of the Littman Brands, a family of companies that produce a wide range of high-grade lighting solutions for both indoor and outdoor lighting needs. Their products have been featured on television, newspapers, online publications, and in home and design magazines, such as Elle Décor, Traditional Home and Luxe Interiors + Design.

Lighting Pros 360 has highlighted some of Hudson Valley Lighting's coveted product line of high-end table lamps. Included are links to special selections from their Deyo, Hindeman, Delano, Alba and Brewster Collections. These products exemplify Hudson Valley Lighting's commitment to aesthetic charm, utility, and first-rate manufacturing techniques.

Lighting Pros 360 is proud to feature Hudson Valley Lighting as their "Manufacturer of the Month."
