. We're starting this challenge with 237 fans on Facebook, so any "LIKES" above and beyond that number will translate to dollars for Women's Shelter Program. UPDATE: As an added bonus, if we get above 300 LIKES before January 31st, an additional \$500 will be donated from Brezden Pest Control to Women's Shelter Program of SLO county.

Since 1977, the Women's Shelter Program has worked hard to respond to our community's need for comprehensive multicultural domestic violence and child abuse services. They understand that domestic violence and child abuse, in their fullest scope, impacts primary victims, family members, society, and future generations. With this in mind, it is their goal to stop the cycle of violence by providing crisis intervention, emergency shelter, advocacy, treatment, prevention and education.

Brezden Pest Control's donations are aimed at helping raise awareness for victims of intimate partner violence and child abuse in San Luis Obispo County. Do you know someone in an abusive relationship? The Women's Shelter Program has a 24-hour crisis line at (805) 781-6400.
