

(PRLEAP.COM) Ridgewood, N.Y. – Bella-Tiara, online retailer of special occasion jewelry, gifts and accessories will be expanding their Royal Collection line for the 2014 wedding season. Since expanding their online bridal jewelry business from eBay to Bella-Tiara.com over seven years ago, the company has become one of the biggest retailers of bridal jewelry, headpieces and bridal accessories anywhere. The Bella-Tiara Royal Wedding Headpiece collection includes vintage headbands, freshwater pearl and side accented headbands, hair combs and dramatic wedding tiaras. Their Royal line of wedding jewelry consists of wedding bracelets, wedding necklace sets and bridal earrings.

In commenting on Bella-Tiara's plans to expand the Royal Collection line, company president Antonella Curto said, "All brides should be able to purchase a couture Swarovski crystal wedding headpiece at a reasonable price, with our expanded selection of wedding headpieces and jewelry, many brides will be able to make their dreams of purchasing the perfect wedding headpiece and wedding jewelry a reality."

In addition to the expanded selection of bridal headpieces and bridal jewelry offered in their Royal Collection, Bella-Tiara will also be including many new, custom headpieces, which will give brides-to-be an opportunity to create their own dazzling wedding headpiece. "When I was a young bride I found it very difficult to find unique and affordable jewelry and accessories for my wedding," said Ms. Curto. "It was then and there that I decided to start a small business to offer high quality products at reasonable, affordable prices."

Bella-Tiara's expanded selection of Royal jewelry will include vintage cuff bracelets and freshwater pearl and Swarovski crystal wedding bracelets, all handcrafted with the finest materials and highest quality Cubic Zirconia (CZ) available on the market today. The new additions to the Royal line of bridal earrings will include dramatic prom earrings, classic and elegant CZ drop earrings, romantic freshwater pearl wedding earrings, and bold and glamorous chandelier bridal earrings.

Bella-Tiara's online wedding jewelry shopping center has added many special occasion jewelry and accessory items.
