

Thinking Outside the Boxe Announces its 10th Anniversary Celebration on Independence Day 2013

Written by Australian Business

(PRLEAP.COM) Myrtle Beach, SC, Orlando, FL, Washington, DC May 29, 2013 - Thinking Outside the Boxe, an independent and nonpartisan think tank, is pleased to announce that it will host its 10th Anniversary celebration in Orlando, Florida on July 4, 2013 with a special invitation-only Champagne Summit and dinner.

The 10th Anniversary celebration will be held amidst the annual Champagne Summit on July 3, 2013 and July 5-7, 2013. Thinking Outside the Boxe's Champagne Summit provides an opportunity for political strategists and commentators, business leaders, economists, and individuals interested in nonpartisan examination of current events to gather for an afternoon of debate and roundtable discussions on economic conditions and the outlook, geopolitical events, domestic politics, foreign policy, business conditions and outlook, societal issues, among other topics. Thinking Outside the Boxe's Champagne Summit series began as a side event to the annual symposium held in December each year. Increased interest in the Champagne Summits by participants and guests led Thinking Outside the Boxe to expand the Champagne Summits to one event per quarter in addition to the annual symposium. Thinking Outside the Boxe also began offering a limited number of individual tickets to the previously invitation only events.

About Thinking Outside the Boxe-Thinking Outside the Boxe is a private, nonpartisan think tank that is dedicated to providing a wide variety of perspectives on issues that are of interest to the general public. The views that are expressed in Thinking Outside the Boxe's commentaries and research are often times uncommon, provocative, and controversial. Thinking Outside the Boxe's mission is to formulate and promote positions and to provide research, independently, that would otherwise be deprived of an outlet in the mainstream media. Thinking Outside the Boxe's commentators and researchers seek to broaden the parameters of public knowledge by addressing issues in such a fashion as to provoke thought and debate on some of the most pressing issues of our day.
