

[x]cube LABS COO Ravi Korukonda Receives HR Leadership Award

Written by Australian Business

DALLAS, TX, September 12, 2013 **/24-7PressRelease/** -- Ravi Korukonda, COO of [x]cube LABS, the Dallas based mobile app development company, was honored on September 5th by the IPE Asia Pacific HRM Congress Awards at the Asia Pacific HRM Congress 2013 in Bangalore, India.

With offices in Dallas and Hyderabad, India, [x]cube LABS (www.xcubelabs.com) is a unique technology organization that thrives on participatory decision making, totally flat hierarchy and a unique open office layout that is designed to foster greater collaboration, innovation and create a culture of transparency and inclusiveness.

Ravi, who received the 2013 HR Leadership Award for his outstanding contribution in the field of human resource has been the key force behind [x]cube LABS' employee focused HR best practices. Ravi has been spearheading [x]cube LABS' world class talent management and HR processes and this award is a long due validation of his excellence in the field.

Speaking on the occasion Ravi said, "It definitely feels good to be recognized. At [x]cube we have always been committed to improving the working condition and facilitating career development for our employees. We value our employees and understand that their well being is immensely important to continue the tremendous growth that the company is experiencing."

"As a leader Ravi has been truly amazing in his ability to foster a culture of team work and excellence. The award is just a validation of his tireless efforts and enabling employee satisfaction and reflects the ethos that [x]cube LABS has established for itself as a great place to work and learn. This award energizes us to make larger strides in this direction," said Bharath Lingam, CEO of [x]cube LABS.

The award is jointly instituted by Institute of Public Enterprise (IPE) and the Asia Pacific HRM Congress.

[x]cube LABS is a global leader in mobile application development and consulting and has an enviable list of Fortune 500 clientele. With three offices across the world and a 300 plus team of mobile consultants, [x]cube has delivered some of the best and most innovative mobile solutions in both the enterprise and consumer space.
