

NEW YORK, NY, September 13, 2013 **/24-7PressRelease/** -- The busy and beautiful neighborhood of Astoria, Queens is the new home of New York City's first-of-its-kind Urgent Medical and Dental Care Center. Conveniently located, Health Professionals NYC is the ultimate answer to the unacceptably long waits at packed Emergency Rooms throughout the New York City.

Health Professionals NYC is a unique care center combining the best features of an urgent medical clinic and a top-notch dental practice. Located on bustling Steinway Street in the heart of Astoria, Queens, it is a one-stop-shop for care, serving the needs of the NYC community with professionalism, speed, and respect.

At Health Professionals NYC, walk-ins are always welcome. Weekday hours are from 9 am to 8 pm, while Sunday hours are 10 am - 5 pm. Health Professionals NYC sees patients of all ages and accepts all major insurances. In addition, they offer reasonable and affordable patient payment plans and accept all credit cards. Spanish speaking patients are warmly welcomed by their Spanish speaking staff.

Health Professionals NYC's medical side is overseen by Dr. Nabil Salib, MD, who studied Internal Medicine at Yale University. Some of the superb medical services provided include Emergency Room services, Internal Medicine, Pediatric Care and more. They are the first clinic of its kind in NYC to offer molecular lung and colon cancer detection. They are also licensed to administer the Suboxone Program.

The dental side is run by Dr. Oleg Nektalov and Dr. Roshani Patel, who graduated from Columbia University and the University of Medicine and Dentistry of New Jersey, respectively. Health Professionals NYC's excellent dental services include Implants, Cosmetic Dentistry, Whitening, Gum Surgery, Veneers, Porcelain Crowns and more. There is an Invisalign expert on staff as well.
