

LOS ANGELES, CA, September 13, 2013 /24-7PressRelease/ -- The [Affordable Care Act](#) will bring many changes in 2014. Most Americans will be required to purchase and maintain insurance plans that provide essential health care benefits as defined by the ACA. Small businesses will not be required to provide health insurance for their employees, but the ACA includes features that create not just an easy-to-use exchange just for businesses but also tax credits to make their chosen plans more affordable. Sofi Insurance Services helps California small businesses find [health insurance](#) with Obamacare.

The SHOP exchange will include easy-to-use tools to help small businesses identify the best insurer for their and their employees' needs. It will be available for small businesses with 50 or full-time equivalent employees and will provide them with the information they need to make the best choices for their insurance needs. Each [Health Care Reform Act insurance provider](#) associated with the SHOP exchange will be certified compliant with the Affordable Care Act. Various levels of coverage will be featured, including platinum, gold, silver and bronze.

The metal ranking system is specifically designed to simplify the process of comparing each [Obama Care insurance provider](#). Costs, benefits and various features of each plan will be readily identifiable. The exchange will include other information that will help small businesses meet their employees' insurance needs. Employer-sponsored insurance is the most common type of health coverage today. The exchange also includes information about tax credits for which some small businesses may qualify that can help them better afford the plans they choose.

Each plan in the exchange will include essential health benefits. These benefits include routine care, preventative care, prescription drug coverage, maternity care, substance abuse treatment, mental health care, emergency health care and hospitalization. Bronze plans will include lower monthly premiums and higher out-of-pocket costs while platinum plans will have higher monthly premiums and lower out-of-pocket costs.

Sofi Insurance Services also provides assistance to families and individuals who are searching for insurance coverage as well as information and resources for those who are looking for life insurance, temporary health insurance, Medicare supplemental insurance, student insurance, dental insurance, home insurance, auto insurance, travel insurance and long-term care insurance.
