

Logic Integration Honored at ColoradoBiz Magazine's 'Top Company' Awards

Written by Australian Business

LONE TREE, CO, September 15, 2013 **/24-7PressRelease/** -- Logic Integration Inc., designer and installer of audiovisual (AV) systems, announced today that the company was named last month as a finalist on ColoradoBiz magazine's "Top Companies" listing.

Logic Integration attended the awards celebration on the evening of Sept. 11 at the Seawell Grand Ballroom of the Denver Center for the Performing Arts in downtown Denver. At the event, Colorado companies named to the list in several industry categories were recognized as the state's most innovative and operationally effective.

"Colorado is one of the fastest growing states for technology and business," said Shawn Hansson, CEO and founder of Logic Integration. "Many wonderful companies are delivering successful products and creating innovative solutions. We see Logic Integration as a contributor to Colorado's growing economy and congratulate all of the companies named to the list."

The magazine's "Top Company" list showcases companies based on three criteria: financial performance, community involvement and outstanding achievement in areas such as product innovation, operational excellence or marketing effectiveness. Logic Integration is profiled in the September edition of ColoradoBiz magazine.
