

ATLANTA, GA, September 17, 2013 **/24-7PressRelease/** -- Classroom Essentials Online, a retailer of [banquet chairs](#) and other furniture essentials, encourages schools, restaurants and offices to consider purchasing a variety of folding tables to more perfectly meet the needs of your individual space.

One of the most popular [folding tables](#) Classroom Essentials Online offers is the Advantage 8-foot pedestal leg folding training table. This table comes at the perfect height and depth for use in training rooms and classrooms; however, they are also excellent for use in banquet scenarios. The Advantage 8-foot folding table comes standard with a white granite-colored top and grey frame. This neutral color scheme allows it to fit in easily with any pre-existing decor.

Another popular folding table from Classroom Essentials Online is the Advantage 5-foot round plastic folding table. This commercial grade table offers a grey frame with a white granite-colored top. It works beautifully with the 8-foot training table, and its versatility allows you to be able to maximize your use of your space.

"We are very proud of all of the folding tables we provide to our customers," says Matthew Washabaugh, President of Classroom Essentials Online. "They offer the durability and flexibility in use that our customers want, all while being lightweight and easy to move and store."

Classroom Essentials Online has created a reputation for only offering the highest quality products in its store. The [school furniture](#) supplier has rigorous quality control standards that are rivaled only by its high standards for customer service. Learn more at <http://www.classroomessentialsonline.com>

About Classroom Essentials Online: Classroom Essentials Online was founded on the family's experience owning Advantage Church and School Furniture, which opened in 1985. From these companies, they have remained committed to providing classroom and office furniture to Georgia's churches, schools, hotels, daycare centers and more at top quality, but not top prices.
