

American Air Heat Reminds Us to Regularly Check Our Orlando Air Conditioning

Written by Australian Business

ORLANDO, FL, September 17, 2013 **/24-7PressRelease/** -- Summer in Florida can be excruciatingly hot, sometimes intolerable. When the mercury climbs to three digit temperatures, which it has several times in the past, it becomes dangerous and even life-threatening for the very young, senior citizens and those with compromised immune systems. When you simply cannot live without air conditioning in the summer, it is imperative that you maintain your [Orlando air conditioning](#) unit in peak condition through proper and regular maintenance.

[Orlando air conditioning company](#) , American Air & Heat, is offering a limited time summer tune up special for only \$49.95. Be sure you can rely on your AC unit to keep you cool and safe in the Florida summer. Take advantage of this offer before it expires and enjoy a comfortable home environment even as the temperature soars outside.

"We have been serving the air conditioning needs of Oviedo and central Florida community for 27 years," says an employee. "We are a very customer-oriented company. Our professional and knowledgeable technicians and helpful and friendly office staff have one common goal and that is 100 percent customer satisfaction. This has been our philosophy since we first opened our doors in 1986; it remains our mandate to this day and will continue to guide our business for the future."

Providing reliable [air conditioning service in Orlando](#) since 1986, American Air & Heat is a trusted and well-known name in the industry. When you need

[HVAC service in Orlando](#)

, this family-owned air conditioning company is the only one you need to call for fast, affordable and professional service.
