

One Hour Air Conditioning Heating Offers \$79 Off AC Tune-Up

Written by Australian Business

CHARLOTTE, NC, September 17, 2013 /**24-7PressRelease**/ -- One Hour Air Conditioning & Heating, a company of [HVAC contractors in Charlotte, NC](#)

, are currently offering a coupon for \$79 off of an air conditioning tune-up service. The coupon can be found at the company's website,

<http://www.onehourairconditioningCharlotte.com>

. An AC tune- up normally costs \$199, so be sure not to miss this opportunity for great savings.

Benefits of HVAC Tune-up Having your air conditioning system tuned-up by the experts at One Hour Air Conditioning & Heating can help lower utility costs and restore your

[Charlotte HVAC](#)

unit to factory fresh. Your professional technician will inspect your unit to ensure that it is operating at its best and make any necessary repairs.

"It's a great time to schedule your air conditioning tune-up," Mike Fowler, president and CEO of One Hour Air Conditioning & Heating, said. "The summer heat will still be going strong into late September and our service will help your system operate at its best while simultaneously helping you to lower your cooling costs."

For more than 28 years, One Hour Air Conditioning & Heating has been providing excellent [HVAC repair in Charlotte, NC](#)

and the surrounding metro area. The company is family owned and operated, and they understand the value of treating customers like one of their own. In that vein, One Hour Air Conditioning & Heating has created a 100-percent satisfaction guarantee which promises that you will be completely satisfied with your heating and air conditioning service or you will receive a complete refund.
