When asked about her business Bohemian Tarot and it's name Bianca states, "The definition of Bohemian is essentially a writer or an artist who lives an unconventional life with others, and this defines what the gallery space is essentially. We are a group of artists, writers, and philosophers who are working together in an art collective doing what we love. Through my Bohemian Tarot Card Readings I have a perfect gallery space to give life to the art and symbolism of these captivating and mysterious Tarot Cards, along with offering the public genuine insights into their spirituality and life! I am so happy to offer my Tarot Services to help the public and enrich people's spiritually!" Bianca is holding a grand opening celebration event for Bohemian Tarot on Friday, September 20th.
