

BizVizable Announces New Digital Marketing Agency in Laredo, TX

Written by Australian Business

LAREDO, TX, September 18, 2013 /**24-7PressRelease**/ -- BizVizable, an SEO agency and business opportunity owned by Inc. 500 company Advice Interactive Group, has launched a new digital agency website for businesses in Laredo TX. The new agency,

BizVizable Laredo

, is a partnership between BizVizable corporate and Graphitiks Advertising Design, Inc., a leading digital communications and advertising company.

The new agency provides local SEO services and tools for business owners in the area looking to increase their rankings on search engines like Google, Yahoo, and Bing. Additionally, BizVizable Laredo agents can help local businesses looking to increase their sales, leads, or web traffic. Through comprehensive services like video marketing, reputation management, and citation building, BizVizable is able to positively impact businesses' rankings and reputations across multiple online platforms.

In addition to its local search offerings, BizVizable Laredo also offers services in all major forms of marketing, including mobile marketing, magazine publishing, print advertising and distribution, and e-commerce. Because Graphitiks Advertising Design, Inc. has been helping local South Texas businesses since 1989, the new BizVizable agency is uniquely positioned to offer help and services in a wider range of options than in other web marketing agencies.

Businesses interested in local SEO can check how well they rank on search engines using BizVizable Laredo's [free visibility report](#), powered by Local Search Tool. This report will show exactly where a company is missing vital information in local directories and is an important measurement factor for quantifying online success.

Interested parties can request more information about BizVizable Laredo's services or SEO packages by calling 956-267-9388 or by visiting the agency's website: <http://www.bizvizablelaredo.com/>
