"On the street where creating our dreams into reality lives, there sits two houses: There is the house of "Taking massive action," and right next door is the home of "Letting go." They are both essential to creating beyond our wildest dreams: action and letting go. A magical neighborhood indeed." - Debbi Dachinger, author

WISDOM TO SUCCESS takes readers through Debbi's journey of creating goals and dreams - and how readers can do it too. Celebrity LYDIA CORNELL says the book is "a Godshot — one of those instant miracles that changed my life."

Famous jazz and blues musician JOHN LEE HOOKER Jr. says the book "... will arrest and capture your attention and you won't ever want to be released -- it is spellbinding." Passion Test New York Times Bestselling author JANET BRAY ATWOOD says the book "...makes it easy for anyone to follow their dreams and create a magical and fulfilling life!" Author and Creator of the famous Udo's Oils, DR. UDO ERASMUS loves the book and says... "This is one person on fire. Watch Debbi light up your passion and the night skies of the crazy world we live in. Like her, stand up. Be seen and counted for the unique gift only you can bring to life. That's what I intend to do. This book has just become part of my inspiration for my next, and bigger, mission."

Debbi Dachinger wrote a fantastic book using her astute understanding and experiences of making dreams come true. Celebrities took notice, and are sending rave reviews of the book.

This newly published book, "Wisdom To Success: The Surefire Secrets to Accomplish All Your Dreams" by award-winning, bestselling author, Debbi Dachinger is an amazing expression of insight and knowledge.
