

CHULA VISTA, CA, September 19, 2013 **/24-7PressRelease/** -- Tricia Wong, Co-Creator of Trixi's Treasures LLC, has been recognized by Worldwide Who's Who for showing dedication, leadership and excellence in baking manufacturing and distribution.

Mrs. Wong has two years of experience as one of the creators of Trixi's Treasures LLC, where she leads the company with an expertise in creativity, information technology, design and customer service. Trixi's Treasures LLC is a baking flavorings manufacturer and distributor that provides cooking and baking mixes. Products include Shantelyn's Treasure Dust Mixtures in various flavors with ingredients that encourage healthy living.

Mrs. Wong, who became involved in her profession because it was a dream of hers, attributes her success to her mind, heart, spirit, and determination. She became very ill and was a Code Blue in the hospital. During her recovery, she was extremely depressed and wanted to die. After her miraculous recovery, she discovered YouTube and found motivational speakers. They inspired her to get well and pursue her dreams, and Trixi's Treasures LLC was born.

Mrs. Wong holds a master's degree in information systems, and she holds three EPIC certifications in the areas of computerized physician order entry, medical pharmacology, and clinical documentation. She is also a registered nurse and is professionally affiliated with Sigma Theta Tau and Epsilon Delta Pi Honor Societies. In addition, she is an elite member of the National Association for Professional Women. Outside of her professional career, she is an avid traveler. In years to come, Mrs. Wong intends to continue on her present path of helping others to live healthier lives.

There are many people to which Mrs. Wong credits her success. Her aunt Carol, as an example, literally changed her own life to see that Mrs. Wong's life would endure. She motivated Mrs. Wong each and every day to succeed, and together they have come a long way. She would also like to thank her mother and father for being such huge inspirations in her life. If not for their leadership by example, as well as their unconditional love and support, Mrs. Wong would not be where she is today. She also credits Noland, her husband of 13 years, and her son, Tanner, as well as her brother Ryan, who helped her to earn a master's degree in information systems. Finally, she thanks her sister, Shanie, who has always been there for her, as well as her doctors for nursing her back to health, and Guy Kawasaki, Seth Godin, and Jason Nazar for giving her the inspiration to start Trixi's Treasures.
