

Tokyo Laundry Launch New Autumn / Winter Clothing Range

Written by Australian Business

MANCHESTER, ENGLAND, September 19, 2013 /24-7PressRelease/ -- [Tokyo Laundry](#) 's fantastic Autumn/Winter fashion clothing range is back with even more exciting products to add to your winter wardrobe! Last year's Autumn/Winter collection proved popular with many celebrities including the likes of Peter Andre, Labrinth and Union J to name a few and this season's collection is sure to be a massive hit too!

The brand will re-launch many of their classic winter looks with an added twist, including their sell out Brookmere gilet as seen on Union J. Their outerwear range has grown this season to meet the demand that the brand saw last year.

Tokyo Laundry has continued to expand their knitwear collection <http://www.tokyolaundry.com/shop/knitwear> . Classic jacquard patterns sit alongside whimsical motifs as well as cable knits. On trend yet classic colours are seen throughout with lots of oxblood, mossy greens and navy blues - a cosy and stylish addition to any wardrobe that will last for seasons to come.

Their ever popular branded hoodies return this winter in a stunning range of jewel toned Autumnal hues and new typographic visuals emblazoned on super soft washed cottons, providing high quality at great value. <http://www.tokyolaundry.com/shop/hoods-sweats> .

Adding to their already extensive offering, Tokyo Laundry has also extended their accessories collection to include new styles of boxer briefs. What's more Tokyo Laundry will be launching socks, snoods as well as a new range of onesies in a variety of fun patterns and colours to suit everyone in the coming weeks.

Visit <http://www.tokyolaundry.com/mens> to see their new season menswear range. But it's not just all for the guys - new ladies hoodies and sweats will be coming to the site very soon together with the launch of their highly anticipated ladies gilets in October.
