

JERSEY CITY, NJ, September 22, 2013 **/24-7PressRelease/** -- Mina Agnos, Co-Founder and President of the award-winning luxury travel company Travelive/Travel2Greece, has been selected by Travel + Leisure A-List as one of the world's top 161 travel agents. Travel + Leisure editors evaluated hundreds of travel agents and picked their favorites for the twelfth annual A-List of Top Travel Agents. The exclusive list of the top 161 agents is organized by area of expertise and provides details including their specialties. This is the third consecutive year that Travelive and Agnos have made the A-List.

"It is incredibly exciting to be recognized by Travel + Leisure for the third year in a row." Mina Agnos said. "I consider it a great responsibility and an honor when our guests entrust me with a portion of their lifetime. We consider it our duty to deliver only the best experiences and memories - and it is a great pleasure to do so. We work hard to stay on top of our industry and offer the most innovated and exciting itinerary options for our clients. It is wonderful that this work, which we love, has resulted in our recognition as a preferred tour operator for Greece."

The complete list of all 161 top travel advisors who are on the twelfth annual Travel + Leisure A-List will be highlighted in Travel + Leisure's October issue, on newsstands September 20th.

For more information on Greece or the Travel + Leisure A-List, visit <http://www.Travel2Greece.com> or call 888-377-LIVE (5483).

#### About Travelive:

Travelive offers a high level of bespoke service to clients traveling to Greece, Italy, Egypt, Turkey, France and Spain. With offices in Bloomfield, New Jersey and on-site offices in Athens, Rome, Cairo and Istanbul, Travelive offers a complete solution for travelers to our Mediterranean Destinations.

Travelive offers our clients the advantage of working with a US company (with all the local, financial and legal benefits) while also offering the full support and security of an on-site representative office.

All Travelive hotels are inspected annually to ensure that they maintain a high level of service and accommodations. At many of our properties, we hand-select the rooms that we sell.

---

Travelive clients are eligible for priority upgrades and our contracts ensure that we can offer availability, even after sell out in many cases.

Our tour guides are hand selected based on their local knowledge and experience as well as for their expertise. We offer a full range of private special interest day tours from architecture, to food and wine, to shopping, and can handle any request.

Transfer drivers are cherry-picked based on commitment to customer service, presentation and upkeep of vehicle and English fluency.
