

Five Reasons to Choose a Stain Safe Carpet

Written by Australian Business

DEWSBURY, ENGLAND, September 24, 2013 /**24-7PressRelease**/ -- If you're living in a thriving family household with the potential for spills and stains, the right option for your floors is a [stain safe carpet](#). It's the most popular manmade family-friendly fibre currently on the market and here are the reasons why:

(1) Easy to Clean & Highly Stain Resistant

Bleach cleanable with a 10% solution, even the toughest stains and spills are easy to remove from your **stain safe Noble carpet**. Those wine spills, sauce splashes, mucky paw and foot marks (not to mention little ones and sticky fingers) simply won't be a problem for today's modern family.

(2) Durable

[Satin safe carpet](#) is hard wearing, especially important in family household areas where there is a lot of footfall (stairs, living rooms) and perfect for kids bedrooms where they like to play with toys on the floor and reach out with sticky fingers.

(3) Good Colour Fastness

The colours of these carpets are locked in during manufacturing resulting in a vibrant carpet with fade resistant qualities, perfect for households looking for a long term carpet solution.

(4) A Wide Variety of Designs and Colours

Stain safe carpets are available in assortments of designs and colours meaning there's an option for every room in every house.

(5) Good Value for Money
