JERSEY CITY, NJ, September 24, 2013 **/24-7PressRelease/** -- This time around instead of releasing remixes after the single has been released, we're looking for a few good mixes to be apart of the release itself. Only the best mixes will be chosen for T Dance Digital's premiere artist and these mixes will be chosen by the artist himself.

His sophomore effort "Bounce It Out" will be released by T Dance Digital this Fall and both titles will be released on Physical CD format this Fall as well.
