

ATLANTA, GA, September 24, 2013 /**24-7PressRelease**/ -- The world was a different place when [Atlanta movers](#) at A.C White opened their doors for business in 1926. Since then, numerous changes and improvements have significantly altered the landscape of the moving industry. A.C. White has kept up with these changes as part of their ongoing commitment to offer the best relocation and storage service to their valued customers.

This [Atlanta moving](#) company is in step with the latest technology online that has irrevocably and radically changed the way people all over the world interact with one another. A.C. White has a strong online presence and maintains an information-packed website. A recent blog focuses on the importance of having a good moving list to help ensure a problem-free move. This is yet another way that these highly innovative residential and [office movers in Atlanta](#) keep up and use technology to serve their customers better.

"In all our years of existence, we have had only one goal - to provide our customers with the best service we can give," says Pete White, Vice President of Sales for A.C. White Relocations. "To this end, we make sure all our movers are highly trained professionals, our office staff is helpful and knowledgeable and our equipment is up-to-date and well-maintained. This is the commitment we made to our customers 87 years ago, it is the same commitment we honor today and always will."

A.C. White is a trusted Atlanta moving company that also offers [movers in Savannah](#) and other areas of Georgia as well.

They have successfully moved Atlanta residents and businesses to different parts of the country and throughout the world. Trust your next move to the moving experts at A.C. White.
