

Chicago Podiatrist Keeps Patients Informed on Foot and Ankle Health Care

Written by Australian Business

CHICAGO, IL, September 25, 2013 **/24-7PressRelease/** -- When the office is closed, patients can now visit the website for Lincoln Foot and Ankle Center to gain instant access to important foot and ankle health information through the launch of an informative blog. Dr. Kaye Lagdaan, a Chicago podiatrist, invites patients to visit the practice's blog at <http://www.lincolnfootandankle.com/blog.html> for more information on important foot and ankle health care, as well as updates on Lincoln Foot and Ankle Center.

"By offering my patients a new avenue to receive valuable podiatric information, I hope to further expand their understanding of the treatments we offer here at Lincoln Foot and Ankle Center. With the launch of the educational blog, I can now share important information with my patients easier than ever before," said Dr. Kaye Lagdaan, a podiatrist in Chicago.

By visiting the practice blog, patients can gain in-depth information on topics such as Chicago foot care, treatment of bunions and hammertoes, as well as heel pain prevention and treatment for patients. Dr. Lagdaan updates the informative blog periodically with educational materials to better serve her patients and the questions they may have about their symptoms or up-coming procedure.

Additionally, patients can visit the practice's state-of-the-art website for easy access to staff and doctor bios, new patient forms, contact us, and online appointment scheduling. Conveniently, patients can easily request an appointment via the practice website. During busy days, patients don't always have enough time to contact their Chicago, IL podiatrist at Lincoln Foot and Ankle Center to schedule an appointment, but this improved feature allows patients to easily reach out to Dr. Kaye Lagdaan and her team.

The online appointment requesting feature allows patients to choose a specific date and time they would prefer. In addition, patients will enter their full name, email address, phone number and a brief description of why they are visiting Lincoln Foot and Ankle Center, such as treatments of bunions in Chicago. Once the form is submitted, the scheduling coordinator will contact the patient to confirm their appointment.

As a podiatrist in Chicago, IL, Dr. Kaye Lagdaan's priority is to deliver quality care to informed patients in a comfortable and convenient setting. This can be further seen through the recent addition of Lincoln Foot and Ankle Center's informative blog for increased foot and ankle health education.

About Lincoln Foot and Ankle Center: Dr. Kaye Lagdaan opened Lincoln Foot and Ankle Center to provide a practice where patients feel cared for and listened to. She wanted a practice that allowed her to provide expert care of the foot and ankle in a close-knit and personalized environment that makes sure no shortcuts are taken when it comes to specialized medical care. Dr. Lagdaan graduated from the University of Miami with a degree in biology and business. After graduation, she moved to Chicago to complete her graduate degree at Dr. William M. Scholl College of Podiatric Medicine at Rosalind Franklin University of Medicine and Science. She completed a prestigious and competitive 3-year residency in podiatric medicine and surgery at Advocate Illinois Masonic Medical Center. Dr. Kaye Lagdaan is also on staff at Saint Joseph Hospital, a nationally ranked and award winning hospital that overlooks Lake Michigan on Chicago's North Side.
