

COSTA MESA, CA, September 25, 2013 **/24-7PressRelease/** -- OrigAudio, the leader in innovative portable audio products, is an Inc. success story, with a three-year growth of 1,423 percent since 2009, the year it was founded. The 2013 Inc. 500 list, released in September, is the most competitive crop in the list's history.

To earn this prestigious honor, companies had to have achieved a staggering minimum of 918.59% in sales growth. The Inc. 500 companies are not only known for their massive sales growth but for their overwhelming contribution to the business community. The Inc. 500's aggregate revenue is \$14.1 billion, with a median three-year growth of 1739 percent. The companies on this year's Inc. 500 employ more than 52,100 people and generated over 44,912 jobs in the past three years.

In addition to landing in the Inc. 500, company co-founder and business development director Jason Lucash was named the Emerging Entrepreneur of 2012 by Entrepreneur Magazine.

"More importantly for us, we've been named one of the fastest growing companies in the consumer electronics industry, which is the true validation that we've picked the right sector to focus our business in," Lucash said. "We love the CE industry and so consumers and retailers praise our products and I think that's the perfect equation to contribute to our success."

Complete results of the Inc. 500|5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at <http://www.inc.com/500>
