HOUSTON, TX, September 26, 2013 **/24-7PressRelease/** -- Houston, TX-based Virtual Identity Federation is now accepting email enrollment from gamers and virtual world citizens interested in joining the Virtual World Directory in early 2014 for the Grand Opening Celebration of The Federation and Virtual World Directory. These members will claim Founding Charter Member status. Those that sign up for the Charter Member Early Notification List during site development will be first to know when it's time to join The Federation & Virtual World Directory in early 2014. When the Virtual World Directory opens, members and guests alike will be able to enjoy the profiles of gamers and virtual world citizens from around the globe. VIF members will receive an official VIF Member Certificate, ID card, and more. The website will be free, simple to use, and will have an underlying focus of health and wellness amongst its members.

Individuals or groups that join The Federation during the Grand Opening in 2014 will be recognized as Founding Charter Members and will receive an additional special certificate of recognition and other benefits to be detailed later. Joining the list today ensures potential members will receive periodic newsletter updates leading up to the Grand Opening so they can be first to grab one of the limited Charter seats. The Grand Opening Celebration date and details of how many Charter seats are going to be available to be detailed in future press releases. The VIF advocates spreading random acts of kindness in online gaming and all virtual spaces.

An advocacy organization for healthy interpersonal relationships on the internet, the Virtual Identity Federation is the agency for the Virtual World Directory dedicated to gamers and virtual world citizens.
