

BUCHAREST, ROMANIA, September 26, 2013 /**24-7PressRelease**/ -- Found at <http://www.archiking.com>, ArchiKing provides ideas, information, and news about architecture and home design related events on an ongoing basis.

The ArchiKing's main goal its to uncovering the latest and greatest products in Architecture and Design.

"We have a great story to tell about architecture and home design and the global architecture&design community. The homeowners take great pride in making their homes beautiful, welcoming, and comfortable," says Daniel Iorgu, Rocardia's CEO. "ArchiKing's mission is helping the peoples bring their ideas to reality. Our portal, ArchiKing, provides inspiration and resources to help accomplish that vision. The primary focus of this architecture and design publication is to give you inspiration to make your home more beautiful and more organized."

On the site, architects and designers can easily upload information and tag photos of their most recent projects. A curator can announce a new exhibition or event. A developer can hire an architect based on their work. A client can show off a new building, and fans can share photos of projects they have visited.

ArchiKing will also feature an interactive job board, a competition page, design school profiles and guest contributors to comment on the latest profiles.

About ArchiKing.com

ArchiKing is the portal for architecture and design, where you can discover and present the world's projects and products. ArchiKing's mission is to connect the whole built environment and make the industry more transparent and efficient.
