Meet Andrew Blacklock

Mr. Blacklock is passionate about procurement and identifying, recommending and implementing bottom line benefits for clients and stakeholders

BRISBANE, QLD, AUSTRALIA, September 27, 2013 /24-7PressRelease/ -- Andrew Blacklock, Managing Director of Paramount Procurement Pty. Ltd., has been recognized by Worldwide Who's Who for showing dedication, leadership and excellence in procurement.

Paramount Procurement Pty. Ltd. specializes in consulting, business analysis, contract negotiations, transition planning and implementation. With 30 years of professional experience behind him, Mr. Blacklock recently became the managing director of this procurement company, where he consults with his clients and helps them understand which processes are suboptimal and how they will help increase their company's functionality.

Mr. Blacklock is passionate about procurement and identifying, recommending and implementing bottom line benefits for clients and stakeholders. He possesses superior skills in the areas of procurement, supply chain, contracts, and project and people management, and as managing director, he runs the daily business operations, works with clients and streamlines processes and procedures.

In 2005, Mr. Blacklock earned a diploma of business in business management, human resource management, frontline management and procurement. He remains updated in his field through his memberships with CIPSA, APICS The Association for Operations Management, and the Supply Chain & Logistics Association of Australia. He has received the Local Government Professional Procurement Award and the Regional Collaboration Award and has participated in the Occupational Safety in Transport Conference and the The Queensland Supply Chain Logistics Conference. He attributes his success to his strategic planning abilities and organizational skills, and as he continues to advance in his field, he intends to experience continued professional growth.

Andrew Blacklock Recognized by Worldwide Who's Who for Excellence in Procurement
