Meet Carol Poppe

She began her business in 1999, supplying materials to three states, and has now expanded her services to 21 states

WEST LIBERTY, OH, September 27, 2013 /24-7PressRelease/ -- Carol B. Poppe, Owner of Tri State Dispatch, has been recognized by Worldwide Who's Who for showing dedication, leadership and excellence in aggregate materials distribution.

After recognizing the extensive amount of time and effort that people were putting into locating quarries and stone types, rather than having the convenience of using one company for all of their material delivery needs, Carol B. Poppe formed Tri State Dispatch. She began her business in 1999, supplying materials to three states, and has now expanded her services to 21 states. This aggregate materials dispatching agency delivers aggregate materials for major railways, and as the owner, Mrs. Poppe is responsible for arranging the delivery of materials, including portable toilets and dumpsters, and deliveries from quarries. She takes pride in the promptness of her deliveries and attention to invoicing details, and believes this is just one thing that separates her from her competitors.

With 24 years of experience, Mrs. Poppe coordinates with CSX and Norfolk Southern Corp, and is able to resource almost any product that the railroad requests. Her clients know that when they call Carol, they will get their supplies on time. A Certified Woman Business Owner by the Women's Business Enterprise National Council, she names building her own business and expanding it to multiple states as her greatest achievement. She attributes her success to her promptness, time management and interpersonal skills, and detail-oriented nature.

Mrs. Poppe is a member of Dun & Bradstreet, Inc. and the Women's Business Enterprise National Council, and also serves as a volunteer for a local walk of the National Multiple Sclerosis Society and participates in walks benefiting Susan G. Komen for the Cure. Looking ahead, she aspires to expand the operations of her company to encompass more than 21 states.

Carol B. Poppe Recognized by Worldwide Who's Who for Excellence in Aggregate Materials Distribution
