This is a rare opportunity to buy a unique Jupiter, Florida waterfront home with a permitted dock house. This Jupiter home boasts 170 feet of water frontage and is just minutes from Jupiter Inlet.

Location. Location. Location. This is a rare property find in Jupiter Florida and North Palm Beach. In addition to the unique dock house that no new resident can build, you'll be one of the peninsula's exclusive residents. There's a multi-million dollar new home being built on one side and currently a vacant lot that's for sale on the other.

Enjoy Palm Beach life in one of the few remaining estate lots ideal for entertaining located in the prestigious community of Jupiter Florida in Northern Palm Beach. Jupiter Florida is a quaint beach town known for year-round sunny weather, its famous local residents, and its luxury waterfront homes. Stretching to the Atlantic Ocean, Jupiter features a delightful tropical climate and a truly "small town" appeal with big city benefits. This is your chance to own one of the few remaining estate lots in this highly sought after and gated waterfront. Plus, you'll be one of the only Jupiter Florida residents to have your own fully permitted dock house with electricity -- the county no longer provides these permits!
