of their iLoveSexy website. With full access from any smartphone, web-enabled phone or tablet, the mobile site connects customers to iLoveSexy's enormous collection of the latest and most popular lingerie, costumes and rave wear found on the market today.

Featuring a straightforward and user-friendly interface, iLoveSexy's mobile website provides an organized way for customers to browse through the many categories in their collection on a mobile device. By just tapping around the site, customers can have a fun and interactive shopping experience and peruse through the thousands of gorgeous items that the company carries. Each page has been streamlined for easy reading but does not sacrifice necessary information listed on their original [website](#), such as product descriptions, manufacturer information, reviews and categories. In addition, iLoveSexy's shopping cart allows for a speedy checkout.

One new and exclusive feature that can only be found on iLoveSexy's mobile website is the Deal of the Day, which gives customers the opportunity to purchase some of the company's most popular items at discounted prices. The deal changes daily within a span of twenty-four hours and provides a viewable countdown, allowing for customers enough time to figure out if they wish to make a purchase.

iLoveSexy has partnered with Shopgate to design their mobile website with each customer's shopping experience in mind. They focused their efforts on allowing users to reach content quickly with a simple and refreshing design to access the best deals possible. For those who are constantly on-the-go, the company strives to embrace a more personal and social means of online shopping, no matter the location.

iLoveSexy offers free domestic shipping and they offer a 10% discount coupon code when you join their [Facebook fan page](#). Obtaining the 10% discount code can also be done by following and tweeting them @ilovesexycom.
