

Family Dentist Near Columbia, MD Celebrates More Than Two Decades In Dentistry

Written by Australian Business

ELLICOTT CITY, MD, September 29, 2013 **/24-7PressRelease/** -- Since graduating with his DDS degree at the Baltimore College of Dental Surgery (University of Maryland Dental School) in 1986, Dr. Ray Becker, family dentist near Columbia, MD, has been providing his patients with the best care available. With 27 years of experience in dentistry, Dr. Ray Becker continues to provide superior dental health care to his patients in the Ellicott City and Columbia, MD areas.

Dr. Ray Becker, family dentist in Ellicott City, graduated from Dental School with various honors and awards including receiving the Omicron Kappa Upsilon gold key. He also received the International College of Dentistry award for outstanding achievement, the Maryland Academy of General Dentistry Award for outstanding clinical skills and patient management, as well as being inducted into the Gorgas Odontological Society for academic achievement and Gamma Pi Delta (Prosthodontic Honor Society).

"It truly is an honor to continue to serve my dental community after more than two decades. While the dental field has changed since I graduated with my DDS degree, my commitment and dedication to my patients has remained the same," said Dr. Ray Becker, Ellicott City family dentist. "It has always been my goal to provide my patients with the best in quality dental health care and I look forward to many more years serving my dental community."

To remain up-to-date in the dental field, Dr. Ray Becker, cosmetic dentist near Columbia, MD, also believes in the value of continuing education. Each year, Dr. Becker completes continuing education courses to remain on the cutting edge of dental advancements. To this day, Dr. Becker has obtained several hundreds of hours in accredited CE courses throughout the world.

Evidence of this commitment can be seen through his receipt of the Fellowship Award from the Academy of General Dentistry (FAGD) in 1995. This award is given to fewer than 5% of active members in the Academy of General Dentistry. As a member of the AGD, Dr. Becker is required to maintain active, ongoing continuing education in which he annually exceeds.

After 27 years in dentistry, Dr. Ray Becker continues to provide his patients with the care they need and deserve to maintain healthy, glowing smiles. For more information on Dr. Ray Becker, Columbia, MD dentist, patients can visit his practice website at <http://www.howardcountysmiles.com>
