

MIDDLE RIVER, MD, September 29, 2013 **/24-7PressRelease/** -- At Wassif Family & Cosmetic Dentistry, education is important. Not only does Dr. Cindy Wassif, a Middle River dentist, complete continuing education each year, but she also offers her patients extensive educational resources available around the clock. From an educational library to an interactive social network, Dr. Wassif's website has it all.

"I want to make sure that my patients understand how to properly care for their smiles, and I want them to understand the treatments they are undergoing. By improving their knowledge of dentistry, I can ensure that they are properly caring for their teeth and gums no matter the time. Through my interactive website, my patients can gain the information they need whenever they need it," said Dr. Cindy Wassif, Middle River family dentist.

Dr. Cindy Wassif and her team of experienced dental professionals at Wassif Family & Cosmetic Dentistry strive to improve the overall health of their patients by focusing on preventing, diagnosing and treating conditions associated with the teeth and gums. By exploring the dental library, patients can learn more about dental problems and treatments available, including Middle River teeth whitening, and an array of other services.

"It is important that education be available at any time of the day for my patients, especially when my office is closed. With the new online education resources, my patients can explore topics of their choosing at any time of their day when a question comes up," said Dr. Wassif, family dentist in Middle River.

Additionally, patients can visit the social network for Wassif Family & Cosmetic Dentistry around the clock for improved interaction and access to important information. When a patient "Likes" or "Follows" Dr. Wassif on Facebook or Twitter, they will remain "in the know" each time they log on. Dr. Wassif utilizes her social network to answer patients' questions and share updates on her Middle River dental office and new dentistry topics.

From routine cleanings to teeth whitening in Middle River, patients can turn to Dr. Cindy Wassif for all of their dental health care needs. When a question arises about their dental health outside of office hours, patients can visit the practice website to gain access to a vast dental education library and other valuable educational resources, further proving Dr. Wassif's continual commitment to providing patients with optimal dental care.
