

Yvette M. McQueen, MD, Inducted into Worldwide Who's Who for Excellence in Health Care

Written by Australian Business

JACKSONVILLE, FL, September 30, 2013 **/24-7PressRelease/** -- Yvette McQueen, Emergency Medicine Physician, has been recognized by Worldwide Who's Who for showing dedication, leadership and excellence in health care.

Dr. McQueen has 15 years of professional experience, with four years as Independent Contractor Physician of Yvette McQueen, MD, PA. As a specialist in emergency medicine, she is responsible for traveling to various hospital sites to treat patients, as well as organizing and participating in medical missions worldwide. She became involved in the medical profession as a ward clerk and then as a paramedic in college. She enjoyed emergency medicine and pursued it as a specialty. Her interests include teaching and lecturing on health and nutrition, and she is an ACLS/PALS/ATLS instructor.

Dr. McQueen received an MD from the Medical College of Ohio and a Bachelor of Science in physiology from Central Michigan University. In addition to her degrees, she has received a public health certificate from the University of Florida. She is a member of the National Medical Association. In her spare time, she enjoys reading and writing fiction, as well as decorating interiors.

About Worldwide Who's Who With over 500,000 members representing every major industry, Worldwide Who's Who is a powerful networking resource that enables professionals to outshine their competition, in part through effective branding and marketing. Worldwide Who's Who employs similar public relations techniques to those utilized by Fortune 500 companies, making them cost-effective for members who seek to take advantage of its career enhancement and business advancement services.

Worldwide Who's Who membership provides individuals with a valuable third-party endorsement of their accomplishments, and gives them the tools needed to brand themselves and their businesses effectively. In addition to publishing biographies in print and electronic form, it offers an online networking platform where members can establish new professional relationships.
