

BUDAPEST, HUNGARY, October 01, 2013 **/24-7PressRelease/** -- Tablet2Cases, the internet's definitive resource on

[tablet cases](#)

, announces an expansion in selection within its range of

[Bluelounge](#)

accessories for Apple iPads, 9" tablets and even laptops. In addition, many of these popular models are on sale at marked-down prices of up to 12% less than standard suggested retail.

The selection of BlueLounge accessories now in stock in the Tablet2Cases online shop include:

- The [Bonobo Eco-Friendly Apple iPad/9" Tablet Sleeve](#) - Constructed from scratch- and water-resistant material made from 100% PET recycled plastic bottles, this Earth-friendly accessory is notable for its extremely light weight of just 185 grams (6.5 ounces).
- The [Bonobo Sling Apple iPad/9" Tablet Bag](#) - Like the tablet sleeve of the same brand name, the Bonobo Sling is nicely lightweight and composed of recycled plastic. The sling is made for easy carrying with an adjustable shoulder strap and a zipper-locked exterior pocket, and was named Best Tablet Bag in Tablet2Cases' Golden Case Awards for 2012.
- The [Bonobo Eco-Friendly 11"-15" Messenger Bag](#) - Another environmentally-conscious product, this messenger bag is designed to accommodate larger tablets and/or smaller laptops. Features include an ergonomically-fit shoulder strap and extra weatherproof coating on the exterior.
- The [Bonobo Eco-Friendly 15"-17" Messenger Bag](#) - Essentially a larger version of the above model, this messenger bag includes three pockets for accessories and/or documents and can hold any laptop of up to 17" in size.
- The [Mika Universal Tablet Stand](#) - Beautifully sculpted out of solid aluminum metal, the Mika tablet stand works with any sized tablet and provides sturdy hands-free support in an ergonomic, aesthetically-pleasing fashion.

All Bluelounge tablet bags and sleeves are available in the Tablet2Cases online shop in either basic black or rust colors, with the exception of the 11"-15" messenger bag, which is available

only in rust. The aforementioned Bluelounge products are also currently on sale at up to 12% the suggested retail price - and free international shipping is included on all items as marked in the Tablet2Cases online shop.

About Tablet2Cases Launched in September 2011, Tablet2Cases.com serves as a specialized portal and definitive resource on tablet case. The website features a wiki-style knowledge repository with reviews, ratings, videos, photos and all available information on tablet cases throughout the world. Interlinked with the portal is the [Tablet2Cases online store](#), which provides shoppers with the largest selection of [iPad 2 cases](#), [iPad 3 cases](#), [iPad 4 cases](#), and other tablet cases at the most competitive prices.

About Bluelounge Based in Singapore with distribution center in California, [Bluelounge](#) promises to provide clever and innovative accessories to simplify your digital lifestyle and the company's designers draw from their interests in art, architecture, travel, fashion, music and excellent coffee.
