

Newly Designed Infeel Wallcovering Showroom in Miami Offers Workshops

Written by Australian Business

MIAMI, FL, October 01, 2013 **/24-7PressRelease/** -- On Thursday, October 17, 2013, Infeel USA Wallcoverings will hold an exclusive designer open house at their newly redesigned Miami showroom, to present their new winter wallcoverings and window film designs. Infeel USA offers a different kind of wallcovering which are elegant and cost effective. Infeel USA exclusive designer styles have highly textured looks such as paperweave, leather and crystal flecks. These exclusive designs have usually have been reserved only for the wealthy, but are now more affordable through a wide selection at Infeel USA.

The Infeel USA Wallcoverings designer open house will feature new wallcovering designs and trends in the home decor market, while also offering specialized training, as well workshops, to help create the perfect wall. The Infeel USA designer open house event welcomes South Florida home and commercial decorators, designers, paper hangers and contractors. Registration is required to attend and can be completed at <http://www.infeelusa.com>. There will also be limited spots available to the public. The Infeel USA Wallcoverings Design event will be at the Infeel USA Miami Showroom, 10650 NW 29th Terrace, Miami, Florida, 33172 and include activities starting from 10:00 AM and concluding at about 5:00PM. For more information and to register for the event visit <http://www.infeelusa.com> or call 786-973-1110.
