

CROYDON HILLS, VICTORIA, AUSTRALIA, October 1, 2013 **/24-7PressRelease/** -- Andrew Verity, Director of Neuro-Training Pty Ltd, has been named a Worldwide Who's Who Professional of the Year in Complementary and Alternative Medicine Research & Development. While inclusion in Worldwide Who's Who is an honor, only a small selection of members in each discipline are chosen for this distinction. These special honorees are distinguished based on their professional accomplishments, academic achievements, leadership abilities, years of service, and the credentials they have provided in association with their Worldwide Who's Who membership.

Mr. Verity has 41 years of professional experience, with seven years of experience as a director of Neuro-Training Pty Ltd. His/her areas of expertise include Research and Development of new applications for human neurological developments. On a daily basis, he is responsible for overseeing the college section, including course content and related material, coursework for the college of naturopathy. In addition Setting up neuro-activation workshops and public education presentations; Managing the research and development section, which involves organizing promotions, researching the latest techniques and integrating new developments into Neuro-Training, and directing the Instructor Training for Neuro-Training and the College of Neuro-Training.

Prior to his current position, Mr. Verity was the chief executive officer of Educating Alternatives. He is also a personal consultant, an international presenter and a promoter of Neuro-Training techniques. He is a skilled kinesiologist and iridologist, with additional proficiencies in naturopathy, homeopathy, and goldsmithing. Mr. Verity has specialized in natural medicine of various types for more than 41 years and has built a reputation as an innovator in the area. In 1998, he developed the Solution Oriented Kinesiology Certificate. In 2002, he developed the Diploma of Neuro-Training. Two years later, he established the advanced kinesiology centre Spain. In 2006, he changed Educating Alternatives to Neuro-Training Pty Ltd. In 2007, he started the SONT Certificate and Diploma in Australia, Spain and Italy. Mr. Verity attributes his success to being very focused, and to his ability in affecting change in people by integrating new advances in neuroscience with natural human recuperation. He became involved in his profession because at the age of 17 he was training for a judo championship and his father showed him how to make his muscles strong using skin reflexes which he found fascinating. He has been interested in kinesiology, naturopathy, homeopathy, iridology and all forms of human 'change' science ever since.

Mr. Verity received a Diploma in Homeopathy from Melbourne College of Naturopathy in 1984, an Iridology Diploma from Melbourne College of Naturopathy in 1983, and an Associate Diploma of Design in gold and silversmithing from RMIT University in 1976. In addition to his diplomas, he earned a Certification in Personology training in Hawaii in 2002, and a Somatic Analyst Certification in 1983. In years to come, Mr. Verity is developing a new college in Switzerland. He currently has colleges in Australia, Germany, Italy and Belgium, and he wants to set up colleges in more countries.
