

ONTARIO, CANADA, October 1, 2013 /**24-7PressRelease**/ -- Dr. Carolyn J. Reinhart, Writer, Author and Researcher on the subject of Spirituality Praxis, has been recognized by Worldwide Who's Who for showing dedication, leadership and excellence in professional studies.

Passionate about education, Dr. Reinhart founded a Pastoral Centre which offered counseling and retreat work during her 32 years in England. She completed a City and Guilds qualification in photography at Bournemouth and Poole College of Art and Design, a Master of Arts in Christian Spirituality at Heythrop College, University of London and a Doctorate in Professional Studies at Middlesex University. She also earned the certification of a Licentiate with the Royal Photographic Society.

Since her return to Canada nine years ago, Dr. Reinhart has continued working as an author and researcher in the field of spirituality praxis. Additionally, she works part-time in an art gallery, where she utilizes her knowledge and expertise in photography to create and sell unique cards and prints. One of Dr. Reinhart's greatest accomplishments to date is publishing the book "A Fruit-Bearing Spirituality." Based on the four years of research conducted during her doctoral pursuits, the book focuses on an understanding of Spirituality Praxis, which involves combining theory and practice, interactively. It is her hope that readers of her book will understand more fully what it means to pursue the spiritual aspects of their own lives. Dr. Reinhart has been quoted as saying "We learned that transformational spirituality is concrete and has to do with personal, interpersonal, group, organizational, societal and global levels and thus affects our economic, political, social and spiritual lives and psychological culture." "A Fruit-Bearing Spirituality" is scheduled to be published 13th December 2013 by Circle Books. It will be available in paperback and eBook formats. The book's projected price is \$19.99 (paperback) and \$9.99 (eBook) and can be pre-ordered at Amazon.com and Amazon.co.uk.

Multi-talented and intelligent, Dr. Reinhart networks with people interested in the field of spirituality and quantum physics. In the coming years, she intends to continue interacting with people who have similar interests, especially spirituality and science.

Dr. Reinhart is a member of the Huntsville Art Society, Huntsville Photographic Society, Muskoka Photography Club, Muskoka Chaplaincy Association, and The Royal Photographic Society. Away from the demands of her work, she enjoys walking, spending time outdoors, socializing, and listening to classical music.
