

MARBLE, NC, October 02, 2013 **/24-7PressRelease/** -- Gray's first young adult novel captures the realism of what it is like to be a teen today and combines it with an extraordinary story of horror, courage, and new love. Gray's vivid characterization and fast-paced plot make this a must read for both teens and adults.

Dark Dreams' twisting plot takes small town teen Ashlynn on a journey that changes her vision of the world around her. Ashlynn seems to be a normal teen in every way. She goes to school, works a part-time job, and thinks about boys. One thing sets Ashlynn apart from other teens.

She has dreams.

At first, Ashlynn thinks she is just having unsettling dreams, but they soon become more intense and realistic. It's not long before the dark characters leave her dreams and make her life a nightmare. Along the way, Ashlynn finds out the meaning of bravery and friendship as she battles the dark forces that haunt her.

Dark Dreams is available for sale beginning October 7, 2013 in both paperback and e-book editions from the Word Branch Publishing website, Amazon, and other major book dealers.
