

Groovy Organic Shop Grand Opening

Written by Australian Business

ST. PETERSBURG, FL, October 02, 2013 **/24-7PressRelease/** -- Amy and Joshua Haines, recently launched the Grand Opening of GroovyOrganicShop.com; a new online retail store that appeals to the growing population that demand high quality products that are manufactured or derived in a more sustainable manner.

The goal of Groovy Organic Shop is to offer the environmentally minded consumers an online shop where they can easily find eco-friendly products for their entire family. The products offered range from apparel, household items, cleaners, pet products, and accessories (even some made from reclaimed rubber tire inner tubes).

The mission at Groovy Organic Shop is to be the premier website for sustainable lifestyles. Amy and Josh themselves are avid outdoor adventures and care about living a healthy lifestyle. "We look to add products to our online catalog that align with our business philosophy and belief in a sustainable lifestyle" said Amy, Owner at Groovy Organic Shop. By being a visible member in sustainable and organic efforts on-line and off-line Groovy Organic Shop will develop a committed relationship with our customers and community.
