

CALGARY, CANADA, October 03, 2013 **/24-7PressRelease/** -- Golden Ticket Tours is celebrating their grand opening and it could save you a lot of time, stress, and money. Golden Ticket has the distinction of being the only motor coach touring company in Alberta that provides personalized family vacations to Disneyland. With prices that regularly provide significant savings over flying, their grand opening sale offers even greater vacation savings for Alberta families.

"After talking to friends who had visited Disneyland, we realized that they had missed out on the magical experience they expected because they were overwhelmed by the parks," says owner Karen Chorney. "Disneyland is a big place, with a lot going on and it offers different experiences to different people. You really need to know how to get the most magic out of the Magic Kingdom and we can help."

Chorney is a Disneyland insider and families that vacation with Golden Ticket Tours benefit from this. She takes the time to find out what experience you and your family would like to have at Disneyland. Do you have small children? She can suggest attractions that are age appropriate. Will someone in your family be celebrating their birthday during the trip? She can suggest ways to make your celebration even more magical. Or maybe you are a couple who wants a romantic trip to Disneyland? She can help with that as well - right down to the best spots to propose in Disneyland!

Packages from Golden Ticket Tours are designed to make your vacation easy, stress-free and memorable. Tours board in Edmonton, Red Deer, Calgary, and Lethbridge, so they are easily accessible to all Albertans. You'll never stress about navigating rush hour traffic in an unfamiliar city - you just sit back, relax, and enjoy the time with your family. A knowledgeable tour guide is always on board to answer any questions you may have, and very often it is Chorney herself. Their packages include tickets to Disneyland, Universal Studios, Sea World and Medieval Times. "All you have to do is make time in your calendar" explains Chorney. "We do the rest!"

Chorney appreciates how important it is to make your vacation dollar stretch as far as possible, and that's why fares at Golden Ticket are significantly cheaper than airfare. Families can save hundreds - even thousands of dollars by booking a Golden Ticket Tour. Right now they are celebrating their grand opening with a sale for their upcoming New Year's tour (December 28 - January 5) that can save you even more with a Buy 3, get the 4th for Half Off Sale!
