

VICTORIA, SEYCHELLES, October 03, 2013 **/24-7PressRelease/** -- The company has implemented several adjustments to its branded entertainment portal. Among them there are renewed game release days and new free-to-play MMO games:

General War - a multiplayer military game available at [<http://toomkygames.com/games/mmo-general-war>] This browser-based massively multiplayer online strategy game brings a player back to the fiercest and cruelest war in human history - World War II. The player is asked to maintain his own army and experience a unique campaign on his browser. This game features:• true-to-life scenes and battlefields• various kinds of tanks, weapons, and skills• authentic battles and raids• opportunity to build an empire• host of arenas, ranks, and World War

Ancient Summoner - a browser-based multiplayer online card game available at [<http://toomkygames.com/games/mmo-ancient-summoner>]In this MMOCCG the player has to pass difficult instances with other players, join PVP battles, and face the fiercest confrontation in the Arena. This game mixes a RPG twisting into all familiar elements of regular trading card games.This game features:• unique PVP battle system• hundreds of card designs• fabulous graphics• numerous cards with different attributes• various interactions

John Button, the company representative, asserted: "The September titles offer plenty of gameplay variety: from arcade games to hidden object ones. Each game requires different skills and abilities, so make sure to play them all - they're really worthwhile!"

In addition to free MMO games, GamesPub Ltd is ready to offer users the opportunity to try on the role of a railroad tycoon in Railroads of America, a true detective in Hideaways: Foggy Valley, and a brave rescuer in Rescue Frenzy. The company welcomes all casual game addicts to check out these free casual games and more with this game review posted at [<http://toomkygames.com/news/view/top-5-september-games>]

GamesPub Ltd. warmly invites all free online and downloadable game lovers to share their impressions and suggestions on ToomkyGames official pages: Facebook, Twitter, and Google+ as well as stay tuned on fresh game releases.
