

Jeff Nourse of Toronto Announces "New You" Medical Spa

Written by Australian Business

TORONTO, ON, October 03, 2013 **/24-7PressRelease/** -- Jeff Nourse of Toronto, Canada is happy to announce that he has recently launched a state of the art medical spa. The high-end medical spa is known as "New You." Jeff Nourse of Toronto says, "We decided to call the new medical spa 'New You' because it is all about a brand new and high tech experience at the medical spa. Once you walk in to 'New You,' you will walk out with a whole new face, smile, skin, and body."

Jeff Nourse of Toronto is a prominent entrepreneurial figure in Canada and the United States. For over the last 20 years, [Jeff Nourse of Toronto](#) has been dedicating his life to his entrepreneurial and business pursuits. He has a genius mind for business and he is an innovative thinker and a brilliant strategist. He is a passionate, creative, and determined leader who is driven by results.

Jeff Nourse of Toronto is coming back into the spa industry to shake things up in ways like never before. He plans on doing things bigger and better than he ever has. [Jeff Nourse of Toronto](#) says, "I have always been proud of the work that I have been able to accomplish. I am incredibly proud of my team and everyone with whom I have worked in the past. However, I now feel that it is time to get back in the game and utilize everything that I have learned to do something 'New,' if you will pardon the pun."

It is clear that Jeff Nourse of Toronto is excited for the work that he is doing at "New You." The new medical spa will be utilizing the newest technologies available in order to provide a high-end spa experience like never before. All spas are equipped with Apple computers and iPads. "New You" will be providing a unique experience using the iPads with a program called the Clarity UV Visualizer.

[Jeff Nourse of Toronto](#) says, "We are the first company in Canada to offer such a unique software application. It allows for a digital photo of a clients' skin to be analyzed, which will reveal areas of damage in the deeper parts of the skin. From here, 'New You' can provide a treatment plan that is completely personalized, which can then be emailed directly to our clients along with a photo."

"New You" promises to provide a 5-star concierge-like experience. At the same time, Jeff Nourse of Toronto is offering a Guaranteed Results program unlike anything else being offered in the industry. Additionally, Jeff Nourse of Toronto is proud to announce that "New You" is partnered with the best vendors in the industry. This allows the new spa to be equipped with the best resources, which will allow their trained personnel to give the best service and treatments
