

Grand Rapids Dentist Continues To Interact With Patients Outside Of His Dental Office

Written by Australian Business

GRAND RAPIDS, MI, October 03, 2013 **/24-7PressRelease/** -- Dr. Jonathan Eagle, an experienced Grand Rapids Dentist, expands his resources with the availability of a social network presence through Facebook and Twitter. Patients are now able to post information on these social media channels including information on their visit and the practice's procedures. Additionally, patients can view office photos and interact with other patients.

Today, the use of social media websites has become increasingly popular, allowing this dentist in Grand Rapids to branch out into different patient interactions. Provided with a direct link on the interactive website, patients can easily access the social media websites to further engage with the practice and other patients. Additionally, Dr. Eagle, dentist in Grand Rapids, MI, is able to announce a variety of news and valuable information directly onto his Facebook and Twitter sites for his patients to view instantly.

"In today's technological world, our patients are using the Internet for everything these days. There are new ways to interact with other individuals on popular social media channels. Building our own network on Facebook is a perfect opportunity to expand our practice's educational information and communicate with patients more than we ever could in the past," says Dr. Jonathan Eagle, a Grand Rapids cosmetic dentist.

Not only can patients access valuable educational information on the practice's new social media network, the practice's interactive website also offers a wide range of tools and information for making healthy decisions about dental care. The gallery provided allows patients to view different procedures, as well as view end results. Additionally, a section with educational videos is offered for further information on dental care provided such as teeth whitening and dental implants in Grand Rapids.

Whether patients are looking for a bi-annual cleaning or dental veneers in Grand Rapids, they turn to Dr. Jonathan Eagle for all of their dental care needs. Dr. Eagle's passion for delivering quality dental care combined with his commitment to the latest education keeps him at the forefront of dental care in Grand Rapids, MI. His new social media sites, Facebook and Twitter, are further proof to his commitment to his patients and their understanding of quality, routine dental care.
