

ROYAL OAK, MI, October 03, 2013 **/24-7PressRelease/** -- Unique Solutions of Advanced Technologies Inc announced partnership with Trend Micro under the Trend Micro PartnerPlus Specialization Program. This alliance will enable USATInc to offer and support Trend Micro's Security Solutions. With more than 25 years of experience, Trend Micro is recognized as the market leader in server security, virtual security, and small business content security.

The partnership agreement asserts that USATInc will: 1. Have priority access to Trend Micro Level 2 Support. 2. Be listed & act as preferred partner of Trend Micro. 3. Get priority lead pass and more.

"Now offering a wide gamut of Information Technology solutions, we are eager to work with Trend Micro and excited about this new connection. This ally will benefit USATInc in achieving new levels of success and yield further opportunities to serve new and existing clients." - said Sreedhar Kaluva CEO of Unique Solutions of Advanced Technologies Inc.
