

ORLANDO, FL, October 03, 2013 /**24-7PressRelease**/ -- The [eye doctors at Orlando](#) Eye Institute are excited to have patients get to know Dr. Deepak Raja, co-founding doctor. Dr. Raja has been active in the field of ophthalmology for many years. His education spans a number of prestigious universities, including Duke where he attained his undergraduate degree and the University of Miami Miller School of Medicine where he earned his medical degree. His studies also took him to Nashville and Minneapolis, the places where he completed his residency and fellowship respectively.

The [eye doctors in Orlando](#) note that it is easy to see (no pun intended) that Dr. Raja clearly comes from a diverse background, which is what makes him an even more valuable asset to their company.

According to Keshini Parbhu, MD, an [ophthalmologist in Orlando](#) , "I am personally honored that Dr. Raja is working with us. He is an expert in the field and has a reputation for excellence. His accreditations include being board certified by the American Board of Ophthalmology and a member of multiple societies." In addition to the aforementioned accreditations, Dr. Raja is also the current Orlando Health Department of Ophthalmology chair.

Orlando Eye Institute, who specializes in [cataract surgery in Orlando](#) , shares that Dr. Raja is personable and passionate about his work. He treats every patient with the utmost care and takes the time to listen to their concerns. The conditions treated by Orlando Eye Institute can have an emotional impact on the people diagnosed with them, which is why working with a surgeon like Dr. Raja is such a pleasure.
