MILWAUKEE, WI, October 05, 2013 **/24-7PressRelease/** -- Dr. Mark Blake, a board certified plastic surgeon with the Clinic of Cosmetic Surgery, was honored with the prestigious 2013 Patients' Choice Award. Only doctors who have received top scores by their patients and pass other quality measures are awarded the Patients' Choice Award. In fact, of the nation's 830,000 active physicians, just 5 percent were accorded this honor recently from feedback received in 2012.

Every month, more than 200,000 patients across the U.S. provide online feedback about their experiences with their physicians and dentists. They provide overall opinions and rate various components of care, such as bedside manner, doctor-patient face time, degree of follow-up, and courtesy of office staff. Patient's Choice ranks the top reviewed physicians and looks at other quality measures to compile its yearly list.

"This is quite an honor for me," said Dr. Blake. "I am very pleased to have been selected and grateful to my patients who went out of their way to rate me and give me positive reviews."
