

BUFFALO, NY, October 06, 2013 **/24-7PressRelease/** -- Today, Logistic Dynamics celebrates its 10 year anniversary as a leading third party logistics provider. Since opening its doors in October 2003, LDi continues to be one of the fastest-growing, privately held companies in North America, offering customers a competitive advantage due to LDi's unique combination of innovative technology, industry expertise, and their modern approach to real world logistics.

Logistic Dynamics started out as three employees in a small corner office, to now employing over 20 corporate staff and expanding their freight broker agent partnership program to over 60 locations throughout the United States and Canada. This anniversary marks 10 years of successfully transforming one entrepreneur's vision into an industry leader. Most recent accomplishments include being honored in June as a Fast Track 50 company of Western New York for the past seven years and being recognized in August on the Inc. 5000 list six years in a row.

"LDi's experienced team of professionals, whose individual talents and ambitions have propelled LDi far beyond most expectations, are an important aspect of our continued success. These employees, combined with partnering with the top freight brokers in the industry, have helped to make LDi the company it is today," Lisa Czapla, Director of Marketing, continued. During the past 10 years, LDi has experienced tremendous growth and it is exciting to look forward to the many new things that will be accomplished in the next 10 years."
