WEST CONSHOHOCKEN, PA, October 07, 2013 /**24-7PressRelease**/ -- Phasmatrope Studios teamed up with Tierney in Philadelphia to produce the latest spots for PECO Energy and their ongoing "Monsters" campaign for E Audit energy savings.

The spot, which once again featured the outstanding puppet work of Zack Buchman of Furry Puppet Studios, finds our hero Tim, changing his monster energy tendencies through an e-home energy audit from PECO Energy.

"This spot was just great fun," stated director Jonathan Isen, who also produced for Phasmatrope. "ECD Patrick Hardy and his team at Tierney, along with Zack and his crew at Furry Puppets, created some special characters for this round of commercials."

The spot reunited Tierney and Phasmatrope for the latest work on the "Monsters" campaign, which also featured a live installation of the puppets on set in the PECO Corporate Headquarters lobby.

Phasmatrope Studios is a full service AICP television production company based in West Conshohocken, PA representing Steve Andrich, Jonathan Isen, Peter Odiorne, Michael Wilde and Bob S Yerunkle.
