Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. The result is a credible, comprehensive and diverse listing of exceptional attorneys.

The Super Lawyers lists are published nationwide in Super Lawyers Magazines and in leading city and regional magazines and newspapers across the country. Super Lawyers Magazines also feature editorial profiles of attorneys who embody excellence in the practice of law.

Brayton Purcell, L.L.P. is a Northern California-based law firm devoted to pursuing the best outcome and maximizing compensation for asbestos and mesothelioma clients across the
