

CARY, NC, October 07, 2013 **/24-7PressRelease/** -- Envision Built Home Remodeling is a Complete Custom Bathroom Renovation Contractor in Cary, Durham and the Greater Raleigh NC Area.

"Our renovation team has won several remodeling awards through the years," said Bill Ahle, Owner of Envision Built. "We have completed numerous custom, high-quality bathroom renovation projects. We can help you get THE bathroom you want: if you can envision your perfect and unique bathroom, we can build it."

"All Envision Built projects," Ahle continued, "utilize an interior designer to help bring your ideas to design drawings. From there our top-notch craftsmen provide superior workmanship to bring the project to completion."

Envision Built specializes in custom, large-scale renovation projects and is recognized in all areas of remodeling and renovation for superior design and customer satisfaction. To learn more, view the bathroom gallery on the web site.
